Back to Normal, the New Normal

As I write this, our church and many others, not only in our area, but around the country, are going back to normal. At least, the new normal. People are receiving vaccine, and because of that, they are coming back to church.

Our regular activities, little by little, are being resumed. Youth, Women's Circles, Men's Breakfast, Missions, fellowship, and our Services. It is great to see our people coming back to worship in our sanctuary. We are still not functioning the way we used to. But we are far better than last year.

One thing that we need to recognize during this whole season, is that God never abandoned us. Even though we were locked down in our houses, unable to see friends, family, and come to church, God was there with us, as He promised:

"Is. 43:2 When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze."

My friend, this promise is valid for each one of us. During this whole pandemic season, God was with us. He protected us, helped us, and sustained our faith.

The good thing about this promise is that it does not have an expiration date. As we enter this new season, or should I say this new normal, we must understand and trust that God will be there with us and with our church.

In this beautiful text, God is telling us that every time we go through rough times in your journey, He will be there with us.

Blessings,
Pastor Lucas
