## Change is on the Horizon

School is back in session—or will be soon! Many families are preparing by re-establishing their “in-school schedules.” This also means that numerous households are shopping for supplies, clothing, and other essentials for their children returning to the classroom. CPC’s annual Sneaker Sunday is just around the corner, and your support significantly benefits many families in our local community! We recognize that children undergo a lot of change during the early stages of their lives, so your steadfast support truly makes a difference for those families in need.

As families adjust to these changes for school, CPC is also preparing for change. We would like to extend our heartfelt gratitude to Rev. Dr. Walk Jones for his dedicated time and for providing essential stability during this transition.

CPC Office Director

## Cocoa Presbyterian Girl Scouts!

Here's a quick update from Marsha Barton, the leader of the Girl Scout Troop utilizing our DownUnder space.

- The Girl Scouts will kick off their first meeting on August 18th at 6 PM.
- The girls will gather every Monday and Tuesday of the week.
- They will continue to bring in bread and treats on a weekly basis.

Starting in August, please remember to limit your picks to just one dessert per family, while you are welcome to bring home as much bread as you like. We want to ensure there's enough for the girls on Monday and Tuesday!
