## Embracing the Promise of 2025

The start of 2025 is a reminder that life is full of cycles and fresh starts. It's a time to leave behind the past, learn from our experiences, and embrace the unknown with open hearts. New beginnings can be daunting, but they also hold the potential for growth and transformation. Whether it's pursuing a new career, developing a new skill, or building new relationships, 2025 offers a blank canvas for us to paint our dreams upon.

As we welcome 2025, like in Isaiah 43:19, let us carry with us the spirit of hope and possibility. May this year be filled with new adventures, meaningful connections, and the courage to chase our dreams. Here's to a bright and inspiring new year!

## A Felicitous Thank You!

In December, we celebrated the season with our annual Christmas Cantata. I (Sarina) wanted to send a personal thank you to all those involved in making this Cantata so successful! It was by far one of our smoothest Cantata's to date and our little choir had a full house thanks to family members and friends coming to support.

Thank you all so much for playing, singing, supporting, and enjoying our Christmas Cantata this year!
